

Reminder: Rally tomorrow in front of the Berlin House of Representatives - Together for Science

The planned cuts threaten Berlin's position as a leading centre of science. Let's make a stand together for better study conditions, secure jobs and sustainable science! The Landeskonzferenz der Rektor*innen und Präsident*innen der Berliner Hochschulen (LKRK), together with many partners, is therefore calling for a rally against the austerity plans on 19 December 2024 from 8:30 am in front of the Berlin House of Representatives.

Your participation in the rally will make a difference - we are all the voice of science. You are exempt from work duties for taking part. This also applies to teaching and study activities. Only examinations are exempt - examinations must be held.
