

Additional vaccination appointments for next week - Appointment booking for students now possible

For the coming week, 21 to 25 June, HU students can again book appointments for corona vaccinations at the Charité Occupational Medicine Centre.

[Information on how to get there, documents to be prepared and procedure](#)

Supplementary note

The organisation team is currently receiving several enquiries as to why no appointments are offered for students who only need the second vaccination. This is a requirement in coordination with the Occupational Health Centre and is due to the fact that the vaccine available to the Occupational Health Service may initially only be used for initial vaccinations. With these relatively few doses of vaccine, an offer is to be made to all those who have so far not been able to receive a vaccination offer via

a vaccination centre or their family doctor. If the situation changes significantly, we will inform you. Translated with www.DeepL.com/Translator (free version)
