

New website: Invitation to participate in the kick-off on 27 September

Humboldt-Universität is launching a major project: the complete reorganisation of its website. The website is our central means of communication and digital showcase to the world. In order to fulfil all the requirements of a modern website and offer an optimal user experience, the website needs to be completely re-planned, redesigned and technically revised.

Starting together - your participation is needed

We look forward to launching this project together with you and cordially invite all employees to the kick-off event on 27 September 2024 from 9 am to 12 noon in the Senate Hall. After a welcome by our President, Julia von Blumenthal, we will present the project. You will then have the opportunity to exchange knowledge and ideas on focus topics in a relaxed atmosphere as part of the ‘World Café’.

We are also offering two in-depth concept workshops on 7 and 8 October 2024 for colleagues who would like to get involved beyond this. The workshops will take place from 9 am to 3 pm. Based on the results from the World Café, we want to discuss objectives, target groups, information architecture/navigation and the identification and prioritisation of additional requirements in greater depth. Interested parties can choose one of the two dates.

How you can participate

Your participation and commitment are crucial to the success of the project. Together we can ensure that the new website becomes a valuable tool for our university.

Dates at a glance:

- **Kick-off event**
7 September 2024, 9 am to 12 noon
Senate Hall, Main Building
- **Concept workshop (option 1)**
