

Non-University Research Institutions

Federal German Institute for Materials Research and Testing (BAM)

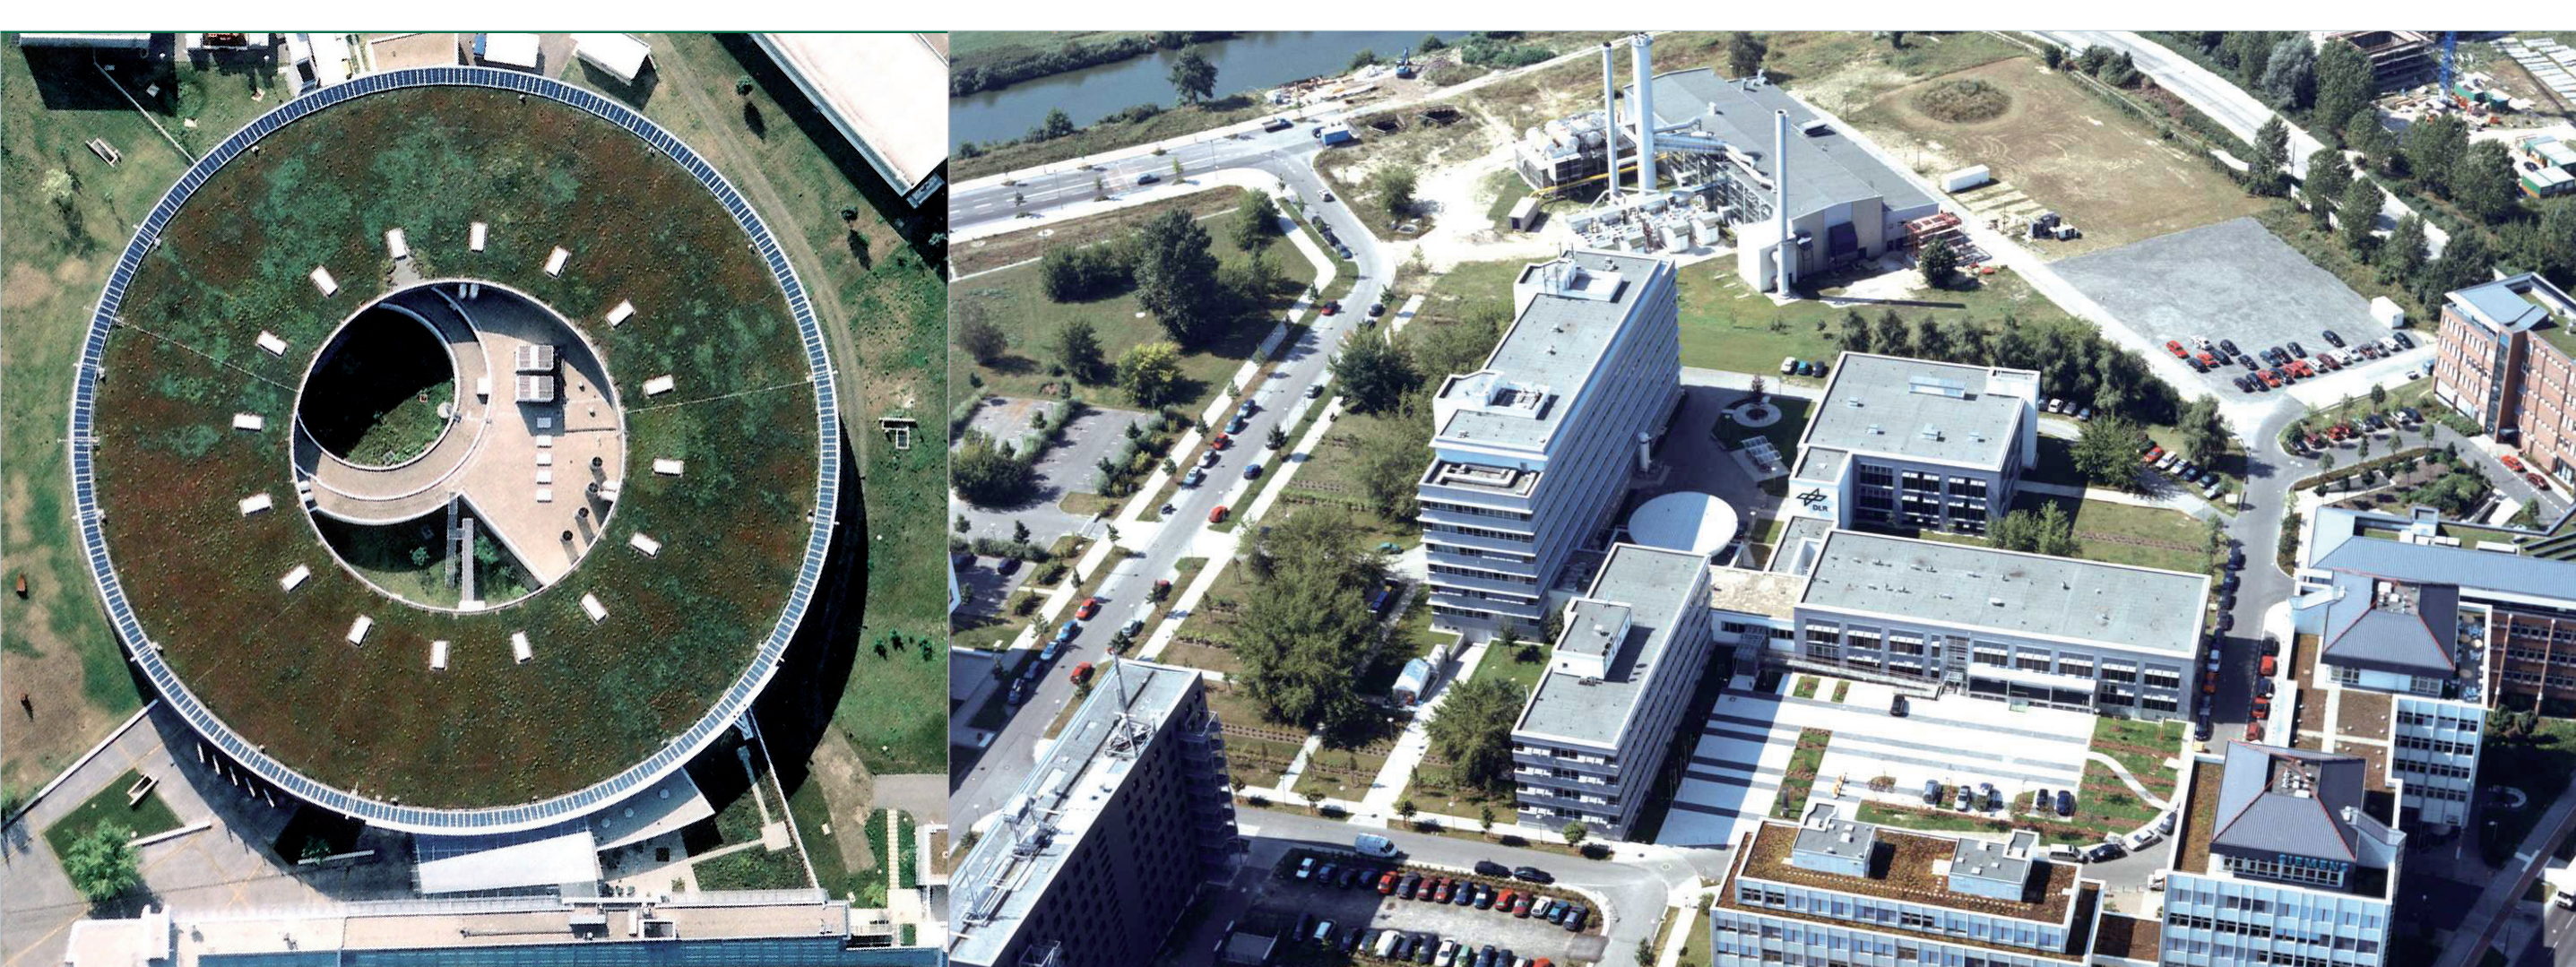

Department I “Analytical Chemistry; Reference Materials”

Prof. Dr. Ulrich Panne, Head of Department

Berliner Elektronenspeicherring Gesellschaft für Synchrotronstrahlung mbH (BESSY)

Prof. Dr. Wolfgang Eberhardt, Scientific Director,

Prof. Dr. Eberhard Jaeschke, Technical Director

Co-operations with the Humboldt-Universität

- 7 joint appointments of leading scientists

- 1 honorary professor

- 15 other teaching assignments

Close links to the other universities in the Berlin-Brandenburg region

Regional and international networks (e.g. OpTecBB, Laserlab Europe etc.)

Joint Initiative of non-university Research Institutions in Adlershof (IGAFA e. V.)

Deutsches Zentrum für Luft- und Raumfahrt e.V. (DLR), Berlin

Dipl.-Kfm. Peter Georgino, Admin. Site Director

Ferdinand-Braun-Institut für Höchstfrequenztechnik (FBH)

Prof. Dr. Günther Tränkle, Director

Fraunhofer-Institute for Computer Architecture and Software Technology (FIRST)

Prof. Dr. Stefan Jähnichen, Institute Head

Helmholtz Centre Berlin for Materials and Energy (HZB)

Department Silicon photovoltaics

Prof. Dr. Bernd Rech, Department Head

Leibniz Institute of Crystal Growth (IKZ)

Prof. Dr. Roberto Fornari, Director

Institute for Analytical Sciences (ISAS), Department Berlin

Prof. Dr. Norbert Esser, Head

Leibniz-Institute for Catalysis e.V. at the University of Rostock, Department Berlin

PD Dr. Angelika Brückner, Director Branch Berlin

Max-Born-Institute for Nonlinear Optics and Short-Pulse Spectroscopy (MBI)

Prof. Dr. Thomas Elsässer, Prof. Dr. Ingolf Hertel,

Prof. Dr. Wolfgang Sandner, Directors

Physikalisch-Technische Bundesanstalt (PTB)

Photon Radiometry Department,

Willy Wien Laboratory

Dr. Gerhard Ulm, Head

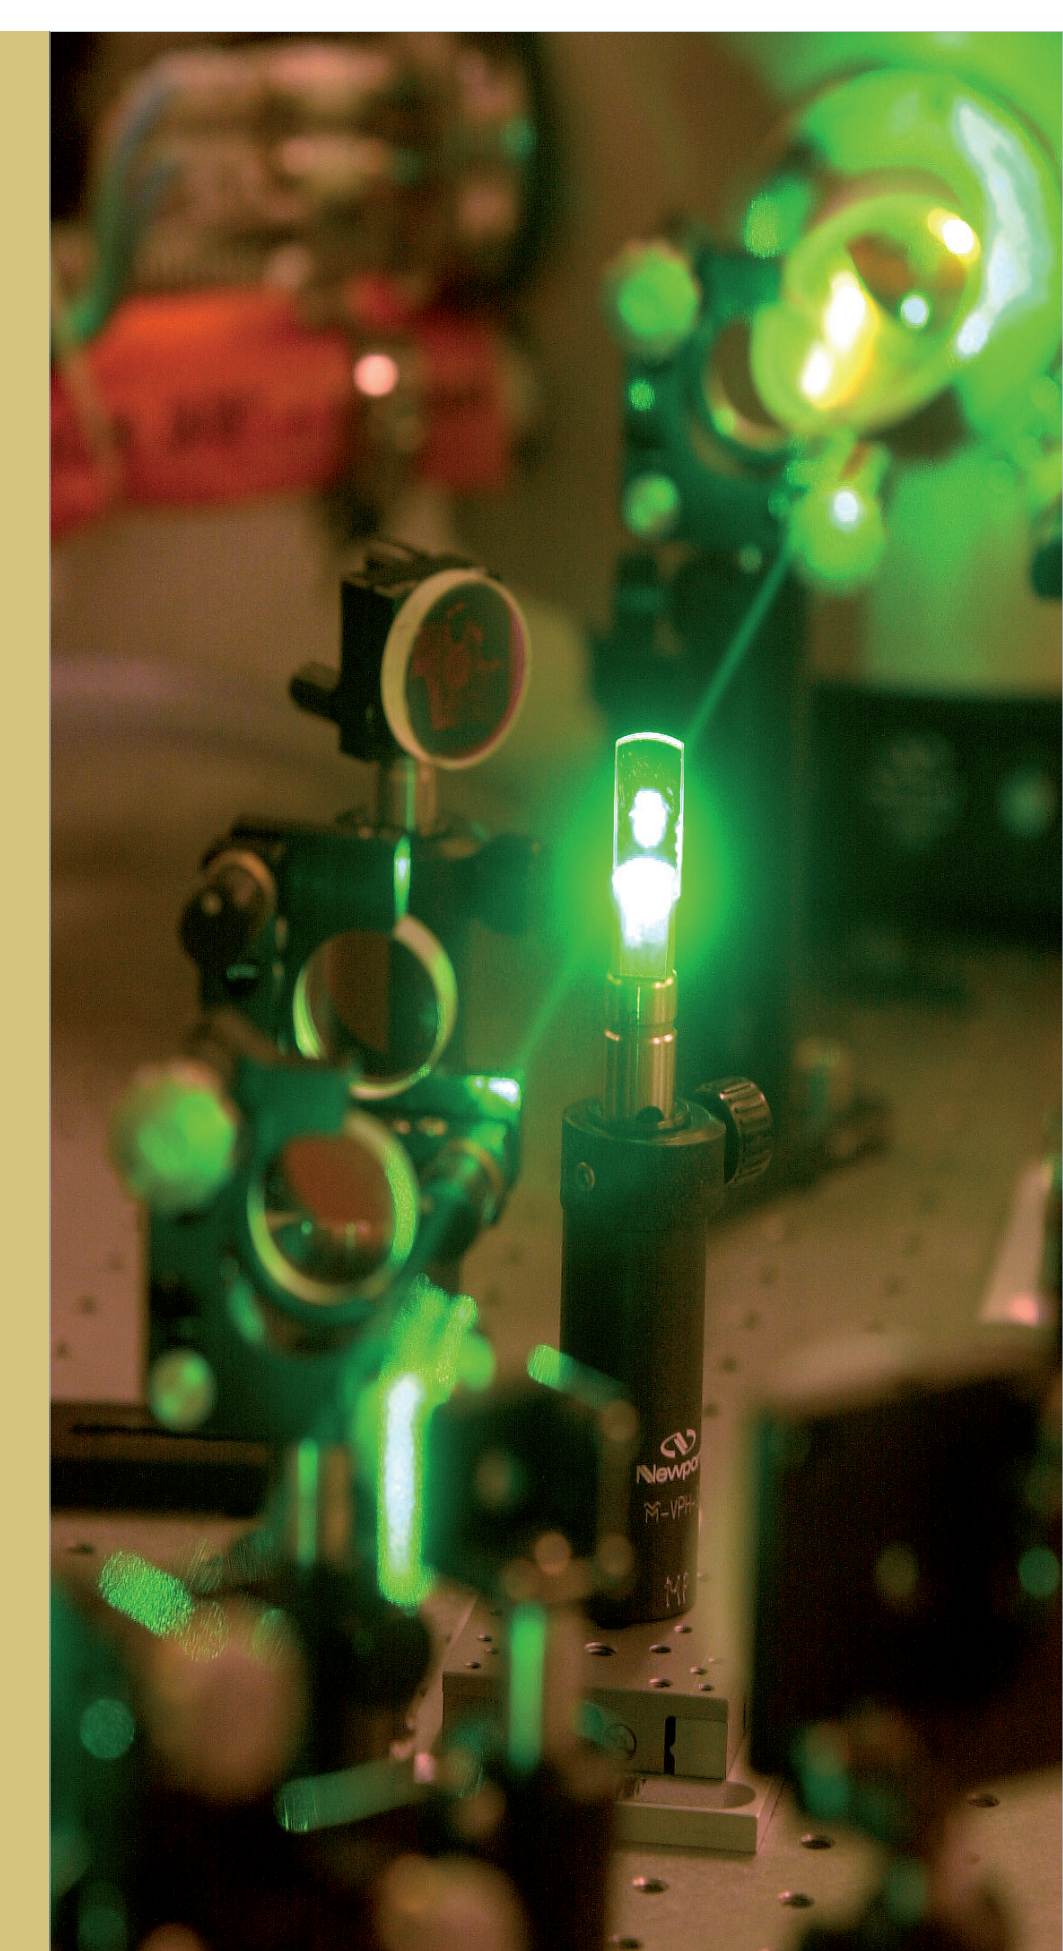

IGAFA e. V. is a registered non-profit organisation

- Fostering cooperation and exchange of scientific knowledge and ideas among research institutes and the Humboldt-Universität, as well as technology transfer and interaction with SME's in Adlershof
- Promoting “Public Understanding of Science”
- Supporting infrastructure (e.g. 2 international guest houses)

Facts and Figures

The twelve non-university research institutions offer substantial additional scientific potential in Adlershof to the Humboldt-Universität with

- over 1500 staff, including 840 scientists
- 151 Mio. € annual budget, incl. 49 Mio. € external funding
- per annum: ca. 900 publications
- altogether over 400 patents
- excellent scientific equipment and research infrastructure
