

For applicants who want to submit their documents after the office hours in due time – viz. within the period prescribed –, Humboldt-Universität zu Berlin has set up a deadline mailbox (“Nachtbriefkasten”). It is located at **Ziegelstraße 12/13**, in the entrance gate on the right-hand side. By submitting your documents in the deadline mailbox by 11:59 p.m. at the latest, the applicable deadline and limitation period is met.

Please note: All deadlines and limitation periods for application and declarations of acceptance as well as enrolment at Humboldt-Universität zu Berlin, which are referred to as preclusive deadlines and limitation periods, are preclusive, i.e. applications and documents received after the deadline will not be considered.
